Audit Report FY 2020 –2021	21

MESSAGE FROM THE FOUNDER & PRESIDENT

It gives me great pleasure to present to you the Annual Report of SNP+ for the year 2020-21.

We have been serving the community for the past 15 years and our logo helps to symbolise that we are persistently working to ignite the flame of awareness, rights, equality and fraternity in the human hearts.

For SNP+ the year 2020-21 was a year where we delivered strong performance. The driving factor behind our performance was the effect of anchoring to our core strength areas – our values, our activities and people like you who have always supported our cause.

The focus for the year was primarily on education of children infected and affected with HIV (CLHIV) and welfare for women living with HIV/AIDS (WLHIV) through capacity building and linking them with various government schemes and entitlements. We are happy to say that we have been able to empower **100 women leaders** from amongst the community to advocate on the issues and concerns of PLHIV.

At SNP+ we drive change by working in collaboration with key stakeholders like Ministers, District Magistrate, Additional District Magistrate, MP, MLA, CDPO, Chief Medical Officer of Health, SDO, Block Development Officer, Gram Panchayat, Sundarban Unanyan Mantri among others.

ORGANIZATIONAL HIGHLIGHTS

- **7114** people tested and **432** PLHIV linked to ART Center
- **37** CLHIV <18 years getting educational support of Rs.2000/- every month from CDPO, District Social Welfare Department, South 24 parganas
- **2 Female** CLHIV will be receiving educational and nutritional sponsorship during their entire student life cycle from IIMC
- **113** CLHIV provided with nutritional support by Awaz Organization, Hand of Hope
- **170 PLHIV** provided with nutritional support from BDO
- Overall **452** WLHIV linked with government welfare schemes
- **40** WLHIV & **25** PLHIV have opened savings bank account
- **59** WLHIV linked with government entitlements like Adhaar card, voter and ration cards
- **10** WLHIV has been successfully helped with legal aid services from DLSA
- **27** beneficiaries linked to Indira Awas Yojana
- **525** PLHIV has been linked for free transport pass for visiting ART Centre

The inclusion of other high need communities in the team helped to achieve our mission and create an enabling environment.

The key focus area for the coming year would be to scale up our activities and also to strengthen the networks at the sub-divisional level so that PLHIV can have affordable and accessible services everywhere. Additionally, we look forward to building the capacity of many more leaders and change makers from amongst the community.

Our achievements and dream has been made possible only because of you. I would, therefore, like to express my gratitude to all our beneficiaries, our funders and donors especially for their sustained financial and technical support, and also to all government officials and friends. I am thankful to all of you for being part of our journey and especially for your belief in us.

Together we have reached out to so many people and made a difference in their lives. I seek your continued support.

Best Regards,

Khitish Mondal

South 24 Parganas Network of People Living with HIV/AIDS (SNP+) is a community-based organization by, for and of people living with HIV and AIDS (PLHIV). Since 2005 the organization has started working in the South 24 Parganas district. SNP+ runs several programs for scaling up of HIV prevention care, support and treatment related services. SNP+ has been operating in West Bengal and has developed essential networking and linkages with important stakeholders.

In the year 2013, the organization expanded services to under privileged children as well as child in need of care and protection on care and support services, counselling, etc. SNP+ works in collaboration with other organizations working on cross-cutting issues of disability, trafficked victims and various high need communities.

VISION

To create a stigma & discrimination free society and better the quality of life for PLHIV and other marginalized & vulnerable section of the society.

MISSION

- SNP+ is to respond to the needs of the people who have no access to receive education/information regarding HIV/AIDS & to improve quality of life of HIV positive people and other **marginalized & vulnerable** population in society
- To function as a coalition of community based organization
- To improve the quality of life of PLHIV and other marginalized & vulnerable population of society

AIM

“Our **AIM** is to improve the socio-economic condition of PLHIV and other marginalized & vulnerable population in society”

OBJECTIVES

- To strive for empowerment of people living with HIV/AIDS and other marginalized & vulnerable population in society from exploitation, negligence & injustice
- To ensure & implement economic, social, political & legal rights for PLHIV and other marginalized & vulnerable population of the society

No. of registered members of SNP+	1450
--	------

OPERATIONAL HIGHLIGHTS FY 2020-21

Total Beneficiaries Reached	9780 PLHIV & 328 TG(HRG)
------------------------------------	-------------------------------------

Intervention	# of Beneficiaries
New Cases Detected	315
Linked to ART Center	268 PLHIV
Lost TO Follow Up (LFU)	1175 PLHIV brought back to treatment
DOTS	6485 PLHIV screened & 680 referred
Counselling	6780 Beneficiaries
48 Support Group Meetings on ART Adherence, Hygiene, Safe Sexual Education, Stigma, etc.)	1272 Beneficiaries
Free Transport for ART Center visit	420 PLHIV
Linkages with Indira Abas Yojana	10 PLHIV
Social Entitlements (Adhaar card, ration card, voter card)	180 PLHIV
Government Social Welfare Schemes	2003 PLHIV
Nutrition Support	4334 PLHIV
Referred to DLSA	13 WLHIV
Stigma and Discrimination Cases	9 Cases successfully resolved
Referral to Shelter Home	7 CLHIV
TG identified	328
Total free Condom distributed	40937

PROJECT OVERVIEWS

VIHAAN Care & Support Centre

- **Funded by** - GFATM
- **Objectives**
 - Early linkage of PLHIV to care, support and treatment services
 - Improved treatment adherence & education for PLHIV
 - Expanded positive prevention activities
 - Improve social protection & well-being of PLHIV

TI-TG Programme

- **Funded by** - WBSAP&CS
- **Objectives**
 - Empower TG/Hijras with knowledge, Skill, and aptitude to protect themselves against HIV by provision of a scaled up and comprehensive package of prevention services.
 - Decrease HIV and AIDS- related morbidity and mortality by facilitating access by TG/Hijra to stigma free continuum of care service.
 - Reduce stigma and discrimination, address multiple vulnerabilities and strengthen community response.

PROJECT OVERVIEWS

SWAWLAMBAN Program

- **Funded by** - WBWDU
- **Objectives**
 - Empowerment of marginalised women (Widow) through this teloring programme.
 - To undertake vocational skills and small enterprises development training especially among women and to support the trained persons for generating their income.

Sputum Collection & Contact Tracing

- **Funded by** - District Health & Family Welfare Samity
- **Objectives**
 - Earlier diagnosis and treatment of TB (within PLHIV) to reduce mortality
 - Prevention of ongoing TB transmission (among PLHIV)
 - Increase the awareness about TB prevention and care services

YEAR AT A GLANCE

EVENTS & SPECIAL INITIATIVES

ART Distribution:

We all know that due to lock down situation all over India from 23rd March 2020 to till date SNP + doing the work in hand to hand with various ARTC of South 24 Parganas, Kolkata, and Howrah. With the support of DAPCU Kolkata, CMOH of south 24 pargana, CMOH of Diamond Harbour and BMOH of Howrah area staff of SNP + has distributed ARV medicine to the nearest LAC and ICTC of those

area not only that from the ICTC and LAC they have dispensed the drug to the clients house so that no one could Miss a single dose of ARV medicine. So, we are doing community dispensing of ARV drugs to the PLHIV clients of the remote areas of Hooghly, Howrah , South 24 Parganas and some areas of Kolkata, during the lockdown period.

From the starting of lock down we have distributed 2217 Packets nutrition support to the needy PLHIV by our four ARTC (MRBH , SSKM, RPC, STM) and four LAC of south 24parganas and 243 packets distribution by home dispensing because they cannot abele in ARTC with the support of various stakeholders. We have also hired five motor cycles for distributing ARV drugs and nutrition support to the PLHIV clients of the remote areas of the above mentioned districts, we have distributed 950 ART through home delivery, and distributed 1400 ART to different LACs in south 24 Parganas and Howrah district. All these activities) have been technically advised and financially supported (Likes car hire, Truck hire charged) by NCPI+

WORLD AIDS DAY – Was celebrated in December, 2020 with support from WBSAP&CS through Kolkata DAPCU, CMOH of South 24 Parganas and Diamond Harbour and also supported by NCPI+. 12 stalls were put up in Kolkata, South 24 parganas health district and Diamond Harbour health district.

Total 1230 people were screened for HIV, among

whom **05** were found to be HIV positive. Apart from screening, counselling, condom distribution, positive speaking, day long campaigning on information and awareness, various street plays and events were arranged.

Nutrition support to needed PLHIV

We all know that due to lock down situation all over India from 23rd March 2020 to August 2020 te SNP + doing the work in hand to hand with the support of Interglobe Aviation Pvt Ltd, Indigo Airlines (CCU), catering units of CCU (Taj Sats and Oberoi flight service), SNP+ provided some dry food among 1800 PLHIV. All food' items were distributed through ART centers, LACs and some through home delivery. We also received foods support from "Manav Sewa Group"(100 Packets) and "DSWO South 24 Parganas" (100 packets), "IIMC" and "Back to Life" provided 167 packets and also 50 packets provided Mr. Prasenjit Das, DR. DEBASISH SAHA MR. PUSPENJIT DAS DAMODAR VALLEY CORPORATION HEAD OFFICE KOLKATA and Sumita Samant (Dy

Director (Mainstreaming & IEC) of WBSAC&PS for their generous support in crisis time for the PLHIV and their family.
We had hired two trucks for six days, for community dispensing of ARV drugs and nutrition support, in various areas of Howrah, Kolkata and South 24 Parganas.

MEDIA COVERAGE

এইচআইভির ভয় কাটিয়ে ওঁদেরও কাছে টানছে পূজো

দুগ্ধা দুগ্ধা

স্বাস্থী মন্ত্রিক

উনিশ বছর আগে যখন ধরা পড়ে যে, তিনি এইচআইভি পজিটিভ, ক্যানিংয়ের একচিলতে দোকানটি বন্ধ করে দিতে বাধ্য হয়েছিলেন ক্রিষ্ণী মণ্ডল। স্বাধীন দোকানে বন্ধের পর আসতেন না। তিন বছরের মেয়ে আর এক বছরের ছেলেকে নিয়ে সে সময়ে গ্রামে একঘরে হয়ে পড়েছিলেন তিনি। থ্যালাসেমিয়ায় আক্রান্ত, আমডাঙার বছর বোনের খুমা মাহিতার (নাম পরিবর্তিত) রক্ত পরীক্ষায় এইচআইভি (হিউম্যান ইমিউনোডেফিসিয়েন্সি ভাইরাস) ধরা পড়ে ছ'সাত মাস আগে। সে কথা কুলে আজও জানানোর সাহস করেনি সে। “ভয় হয়, জানতে পারলে কুলে বন্ধুর পাশে বসবে না। গ্রামেও থাকতে দেবে না,” বলছে খুমা।

ছুতমার্গ আর ভ্রান্ত ধারণার সঙ্গে লড়াই করতে করতে সমাজের এক প্রান্তে গিয়ে দাঁড়ানো এইচআইভি পজিটিভ মানুষগুলোর কাছে তাই দুর্গাপূজোর আলাদা মহাহাঙ্গামা নেই। পূজোয় থিমের টক্কর অথবা সাবেক আচার-অনুষ্ঠানের মূল স্রোত থেকে দূরে দূরেই থেকে যান তাঁরা।

পরিসংখ্যান বলছে, এইচআইভি পজিটিভদের সংখ্যার নিরিখে ভারত বিশ্বে তৃতীয়। পশ্চিমবঙ্গে বাস দেশের প্রায় ছয় শতাংশ এইচআইভি পজিটিভ মানুষের। ‘ন্যাশনাল এডস কন্ট্রোল অর্গানাইজেশন’ (ন্যাকো) সম্প্রতি জানিয়েছে, ২০১৮-১৯ সালে এ দেশে রক্ত নেওয়ার মাধ্যমে ১৩৪২ জন মানুষের রক্তে এই ভাইরাস ঢুকেছে। যার মধ্যে দ্বিতীয় স্থানে এই রাজ্য। তবে সময়ের সঙ্গে সঙ্গে এ রাজ্যে এইচআইভি পজিটিভদের সংখ্যা কমলেও ছুতমার্গ রয়ে গিয়েছে পুরোদমে। যেমন অনেকেরই ধারণা, এইচআইভি পজিটিভদের স্পর্শ করা হলে বা ‘ব্যক্তিকার’ করলে এই ভাইরাস শরীরে প্রবেশ করে। কেউ মনে করেন, এইচআইভি পজিটিভ হলে অচিরেই তাঁর মৃত্যু হয়। এই ধরনের ভ্রান্ত ধারণার জেরে অচ্ছুত হয়েই

থেকে যান এইচআইভি পজিটিভেরা। শরীরের প্রতিরোধ কমতাই কমে যাওয়ায় অনেক ক্ষেত্রেই এইচআইভি-র দোসর হয়ে আসে ‘রাজরোগ’। তাই উৎসবেও বাড়ির চার দেওয়ালের ভিতরে বন্দি থেকে যান ক্রিষ্ণী-খুমা। বর্তমানে কয়েক হাজার এইচআইভি পজিটিভদের নিয়ে কাজ করা ক্রিষ্ণীশের কথা, “অসুখের প্রথম দিকে পূজো বলে কিছুই ছিল না। ওসুখের টাকা কোথা থেকে আসবে, সংসার কী ভাবে চলবে, সেই চিন্তাতেই বাতে মুম হত না।” আর কিশোরী খুমার আফশোস, “আমারও তো ইচ্ছে করে মণ্ডপে গিয়ে মাকে দেখার। কিন্তু বাড়ি থেকে খুব একটা বেরোই না। তবে এখনও তো কেউ জানেই না যে...।”

সমাজের অকুণ্ঠন থেকে রেহাই নেই এঁদের নিয়ে কাজ করা সমাজকর্মীদেরও। হাবডার শিল্পী ইন্দ্রজিৎ পোদ্দার বলছেন, “গত বছর চন্দননগরে জগদ্ধাত্রী প্রতিমা তৈরি করতে গিয়েছিলাম। এক বয়স্ক উদ্যোক্তা ফেসবুকে শিশুদের সঙ্গে আমার কিছু ছবি দেখে ওদের পরিচয় জানতে চেয়েছিলেন। ওরা এইচআইভি পজিটিভ শুনেই আমার থেকে দু’পা পিছিয়ে গেলেন।”

তবে দুর্গাপূজোর আবহে এই দুর্গমুচিয়ে এইচআইভি পজিটিভদের কাছে টানছে পূর্ব কলকাতার একটা পূজো কমিটি। আমডাঙার খুমা বা বারাসতের রাবেরা খাছনের (নাম পরিবর্তিত) মতো একাধিক এইচআইভি পজিটিভ কিশোরীর তৈরি বাঁশের হ্যারিকেন, পাটের পুতুল, শীতলপাটির ব্যাগে সাজছে টাংরার কামারডাঙা সাধারণ দুর্গোৎসব সমিতির পূজোমণ্ডপ। প্রতিমা তৈরির সঙ্গে সঙ্গে নিজের বাড়িতে ১০ জন কিশোরীকে হাতে হাতে সেই কাজ শেখাচ্ছেন ইন্দ্রজিৎ।

এমন ভাবনা কেন? ইন্দ্রজিৎের কথা, “এদের চেয়ে অসহায় আর কেউ নয়। তাই পূজোর সঙ্গে এদের জড়তে চেয়েছিলাম। রোগী নয়, রোগকে ঘৃণা করুন— পূজোর এই বার্তা দিতে চাই।” পূজো কমিটির তরফে সমীর সাহা জানাচ্ছেন, পূজোকে সর্বজনীন করার লক্ষ্যে এই প্রস্তাবে সম্মতি দিয়েছেন তাঁরা। খুঁটিপূজোর উপচারেও তাই আপন করে নিয়েছেন এই প্রান্তিক মানুষদের।

আপাতত জাই নাওয়া-খাওয়া কুলে ব্যাগ-পুতুল বানাতে ব্যস্ত খুমা-রাবেরা। একযোগে তারা বলছে, “জুন থেকে পূজোর কাজ করছি। বেশ ভাল লাগছে।”

MOST SIGNIFICANT CHANGES STORIES

“I was shattered the day I came to know the HIV status of my husband, myself along with my two children. We were all HIV positive. My world had come to a complete halt” says a 35 years old Jarina Gharami of Rajbora Gram, Baruipur. The Medical College Counsellor had given us the address of SNP+

The first day we went there I could not hold back my tears. I don't remember for how long I cried. Khitishda and Susantada spoke to us and explained a lot of things. Slowly we started going there for support group meetings and getting ration support for my son and daughter. Those were the most difficult years of our life when we were ostracised from family and friends and also financially broke. My husband could not work as he was very sick. Earlier he used to sell vegetables and fruits. He has died four years back. But I feel SNP+ has brought out the strength in me. Khitishda's mentoring has helped me to become what I am today. I am indebted to SNP+

The woman who hardly went out of her house is now unhesitant to speak in public. I am a social worker at SNP+ drawing a salary of Rs.5000/- every month. My children are pursuing their education as I always dreamt.

It was a proud moment for me when we went to the District Magistrate's Office in Alipore and successfully advocated for supporting the education of 37 BPL CLHIV. This was the day I felt my life had some meaning. Those 37 children are just like my own son and daughter. These children are now getting scholarship of Rs.2000/- every month. This was a dream come true and a major achievement in my life.

Today I feel I have more to give to life. I want to stand beside all those HIV positive people who have lost their hope and are fighting against discrimination and stigma. “Hum honge kamayab, hum honge kamayab ek din, maan mein hai viswas pura hai viswas...”

Tinku Roy, a resident of Sonarpur, West Bengal is a member of SNP+

2006 was the year I was detected HIV positive along with my 6 years old son. The moment my husband came to know about our HIV status he deserted both of us. He never came back.

Both my parents had died long time back. So, I had no place to go to. My sisters and other relatives avoided me. I wanted to commit suicide because I had no way out.

If SNP+ had not stood by us at that point of time, we would have committed suicide.

My son, Nitish, is now 21 years studying in 1st Year College. He is my lifeline.

I am a social worker at SNP+ that is how I am able to meet the household expenses and that of my son's education.

When my husband left me, I had no income and no educational background. I did not know how to take care of the everyday expenses. But I was determined to educate my son and give him the best. With the help of SNP+ I was able to send my son to Anandaghar, a home for children in Madhyamgram. There they took care of his education and nutrition till he was 15 years of age. SNP+ also helped me to get ration and books for my son.

It was then that my belief in life came back and I slowly got involved with the activities and movement of SNP+

I had also been part of the national movement for passing the HIV Bill. I had gone to Delhi and I was also part of the "HIV Bill dharna". My 15 years of association with this organization is a long story and I have seen the organization growing and reaching out to people like me in distress specially those for whom all doors are shut. Now I am part of the Advocacy team of our organization. I am regularly going to MR Bangur Hospital for advocating on various issues and concerns of PLHIV.

Today my age has increased and my hairs are slowly turning grey but the shine in my eyes is still there. SNP+ has given me a new lease of life. My son is studying and is preparing for government jobs.

"I owe my journey to SNP+ who has helped me realise my potential. It is only because of SNP+ that people like us are still alive. Thank you SNP+ for all that you have done for me".

OUR VALUABLE PARTNERS, FUNDERS & SUPPORTERS

SNP+ strongly acknowledges that the path it has chosen cannot be pursued alone and support is always needed for this mission. The constant support and encouragement it receives from various government bodies and non-governmental organizations, other NGOs, CSOs, funders and supporters is acknowledged by SNP+ with modesty and gratitude. SNP+ sincerely acknowledges the encouragement and support it receives from the following agencies
