Message from the President's Desk:

It gives me great pleasure to present to you the Annual Report of SNP+ for the year 2021-22.

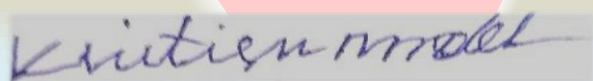

We have been serving the community for the past 15 years and our logo helps to symbolize that we are persistently working to ignite the flame of awareness, rights, equality and fraternity in the human hearts. For SNP+ the year 2021-22 was a year where we delivered strong performance. The driving factor behind our performance was the effect of anchoring to our core strength areas – our values, our activities and people like you who have always supported our cause. The focus for the year was primarily on education of children infected and affected with HIV (CLHIV) and welfare for women living with HIV/AIDS (WLHIV) through capacity building and linking them with various government schemes and entitlements. We are happy to say that we have been able to empower **100 women leaders** from amongst the community to advocate on the issues and concerns of PLHIV. At SNP+ we drive change by working in collaboration with key stakeholders like Ministers, District Magistrate, Additional District Magistrate, MP, MLA, CDPO, Chief Medical Officer of Health, SDO, Block Development Officer, Gram Panchayat, Sundarban Unanyan Mantri among others. The inclusion of other high need communities in the team helped to achieve our mission and create an enabling environment.

The key focus area for the coming year would be to scale up our activities and also to strengthen the networks at the sub-divisional level so that PLHIV can have affordable and accessible services everywhere. Additionally, we look forward to building the capacity of many more leaders and change makers from amongst the community.

Our achievements and dream has been made possible only because of you. I would, therefore, like to express my gratitude to all our beneficiaries, our funders and donors especially for their sustained financial and technical support, and also to all government officials and friends. I am thankful to all of you for being part of our journey and especially for your belief in us.

Together we have reached out to so many people and made a difference in their lives. I seek your continued support.

Best Regards,

KHITISH MONDAL

South 24 Parganas Network of People Living with HIV/AIDS (SNP+) is a community-based organization by, for and of people living with HIV and AIDS (PLHIV). Since 2005 the organization has started working in the South 24 Parganas district. SNP+ runs several programs for scaling up of HIV prevention care, support and treatment related services. SNP+ has been operating in West Bengal and has developed essential networking and linkages with important stakeholders.

In the year 2013, the organization expanded services to under privileged children as well as child in need of care and protection on care and support services, counseling, etc. SNP+ works in collaboration with other organizations working on cross-cutting issues of disability, trafficked victims and various high need communities.

VISION

To create a stigma & discrimination free society and betterment the quality of life for PLHIV and other marginalized & vulnerable section of the society.

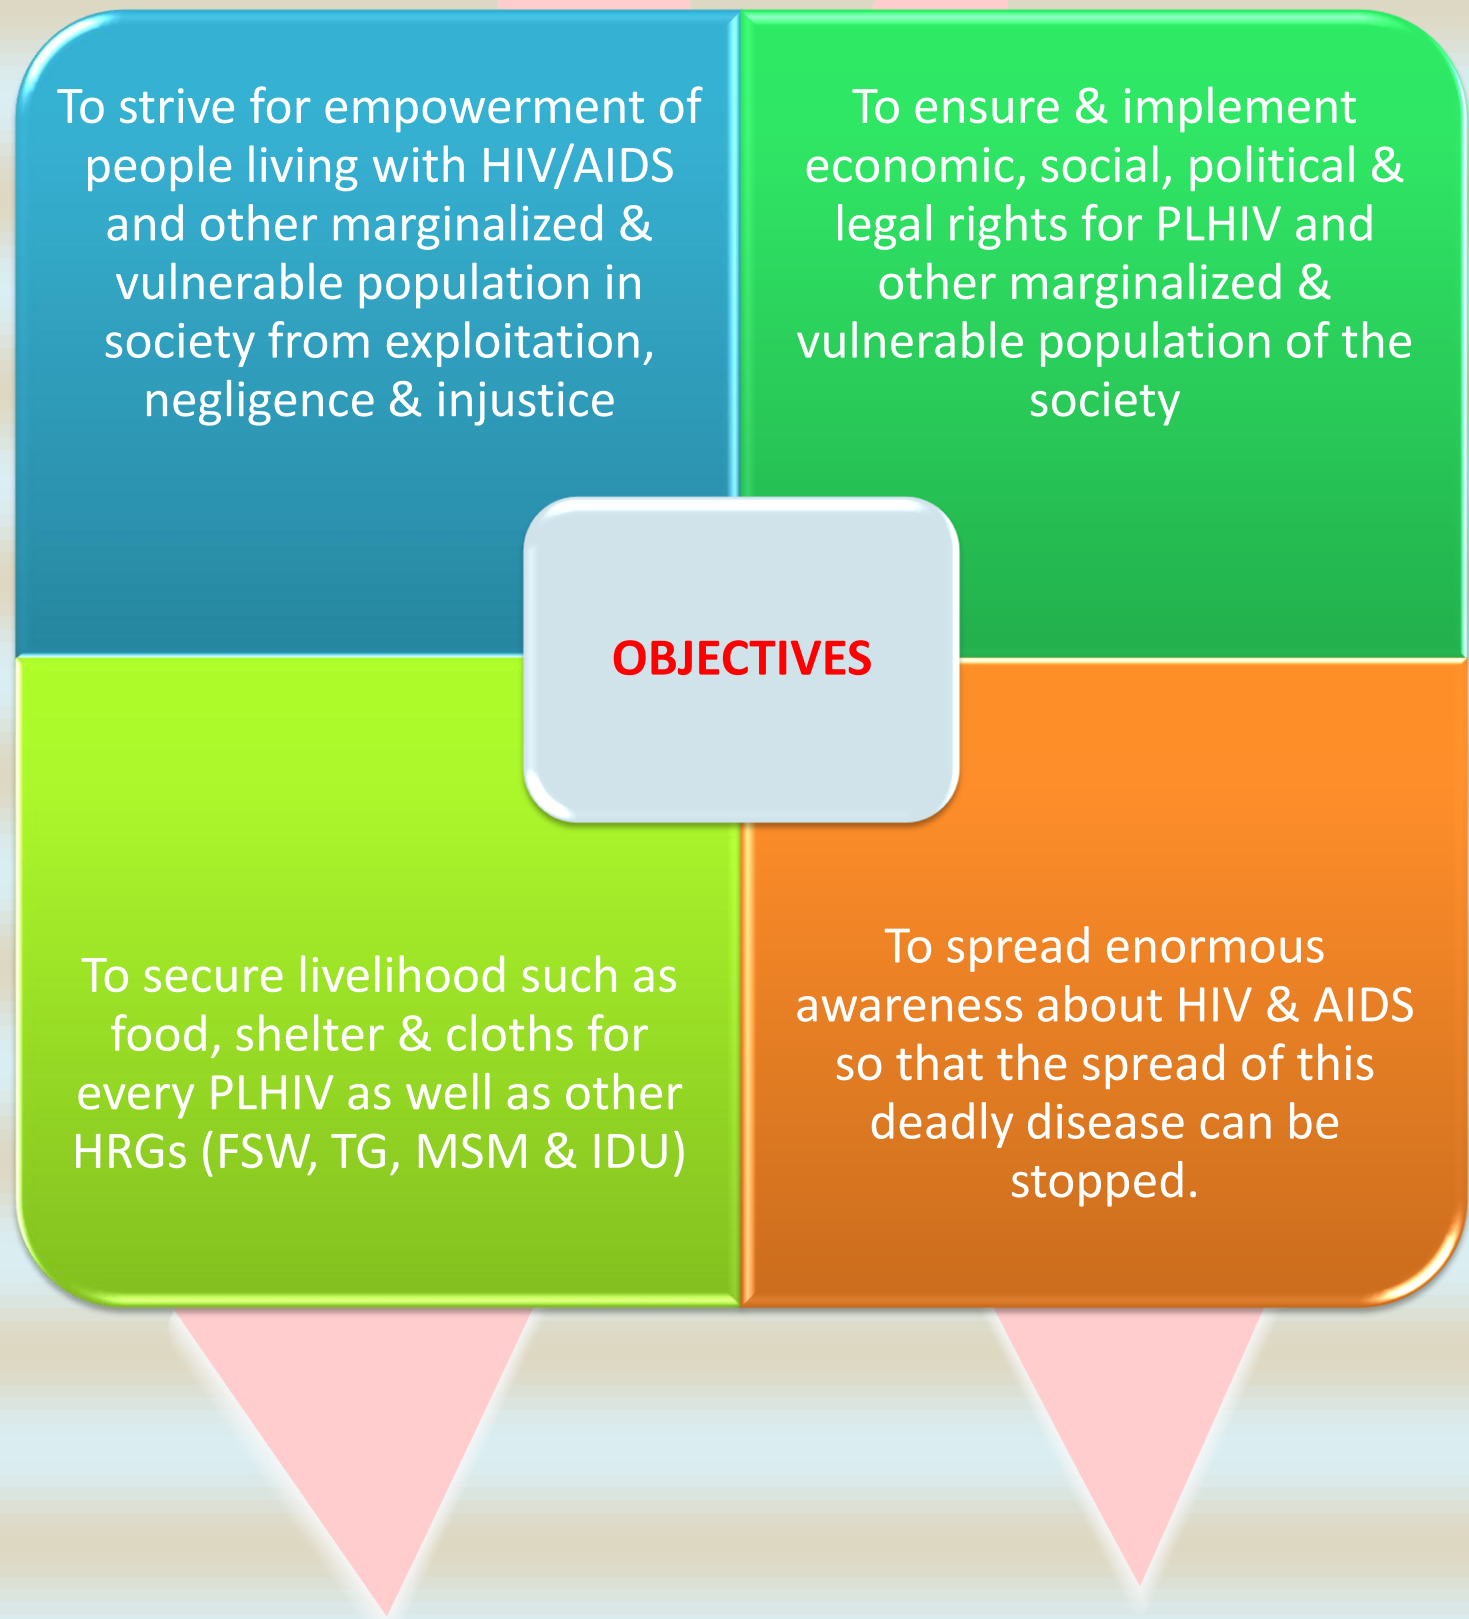

MISSION

- SNP+ is to respond to the needs of the people who have no access to receive education/information regarding HIV/AIDS
- To function as a coalition of community based organization
- To improve the quality of life of PLHIV and other marginalized & vulnerable population of society

AIM

“Our AIM is to improve the socio-economic condition of PLHIV and other marginalized & vulnerable population in society”

PROJECT OVERVIEWS

VIHAAN
Care & Support Centre
Funded by- GFATM

- Objectives
- Early linkage of PLHIV to care, support and treatment services
- Improved treatment adherence & education for PLHIV
- Expanded positive prevention activities
- Improve social protection & well-being of PLHIV

TI-TG Programme
•Funded by-
WBSAP&CS

- Objectives
- Empower TG/Hijras with knowledge, Skil, and aptitude to protect themselves against HIV by provission of a scaled up and comprehensive package of prevention services.
- Decrease HIVand AIDS-related morbidity and mortality by facilitating access by TG/Hijra to stigma free continuum of care service.
- Reduce stigma and discrimination, address multiple vulnerabilities and strengthen community responsc.

LWS Programme
Funded by-
WBSAP&CS

- Objectives
- The Project aims at building a rural community model to address the complex needs of rural HIV prevention, care and support requirements in selected geographies.
- The project aims at reaching out to rural population who are vulnerable and are at risk of HIV/AIDS in a non-stigmatised enabling environment.
- The project aims at improving access to information materials, commodities (condoms,needles/syringes) through collaborating with nearest TI or government health facilities, testing and treatment services ensuring there is no duplication of services or resources.

SPECIAL INITIATIVES BY SNP+:

WORLD AIDS DAY

1st December is celebrated as World AIDS Day. This year the theme was “**END INEQUALITIES, END AIDS, END PANDEMICS**”. With the support of WBSAP&CS through Kolkata DAPCU, CMOH, DTO of South 24 Parganas and CMOH of Diamond Harbour HD put up stalls in different places of Kolkata and South 24 Parganas. Activities consisted of HIV Testing (CBT), sputum collection for testing of TB, Condom distribution, Positive Speaking, IEC distribution, quiz and drawing competition, various social mobilization activities to generate information on HIV/AIDS, awareness and also its prevention. Additionally, we made people aware about the different initiatives taken by government. WBSAP&CS successfully planned to organize HIV screening cum awareness stall in major bus terminus and Railway stations to reach the mass for availing their daily transport in and across Kolkata and South 24 Parganas area (South 24pgs, Health District). CSC Health Promoters also participated in Tableau as positive speaker organized by Diamond Harbour Health District. They also participated in different stalls of the same Health district to aware people about HIV/AIDS. In South24 Parganas and Kolkata, 4 stalls were organized for HIV screening; sputum collection for TB testing from 01/12/2021 to 02/12/2021 by SNP+ in 5 different places: (i) Amtala Bazar (ii) Baruipur Bazaar (iii) Canning Bus Stand (v) Jadavpur Police Station Area.

This year SNP+ also arranged one information Kiosk at Sonarpur Railway Station (Ticket Counter), South 24 PGS on 1st December, 2021 to aware people about HIV/AIDS.

The objective of this program:

- Awareness campaign among the people about their HIV status.
- Provide Counseling so that they can avoid the risk factor of HIV/AIDS.
- Reduce the discrimination among the people for HIV/AIDS.
- Awareness the people about the use of condom.

**END INEQUALITIES.
END AIDS.
END PANDEMICS.**

KEY ACHIEVEMENTS FROM MAJOR PROGRAMMES BY SNP+

- 3 individuals were given clinical service.
- One STI case has been treated and cured.
- Two health camps were conducted for community based screening of HIV cases.
- Total 1350 Pieces of free Condom has been distributed to the registered HRGs and Vulnerable population along with health camps.
- Advocacy meeting held: 7
- Local village level meeting held: 12
- Meeting with PLHIV network held: 3
- Stigma reduction activity held: 3
- Monthly review meeting held: 2

Significant Stories of Changes by SNP+

Case 1: On 19th Oct, 2021 one of our PLHIV pregnant woman Rani Mondal, Husband Name: Joy Biswas (Name changed) reside at Piyali, Canning, Suddenly at night she felt her labor pain and went to Baruipur Super specialty Hospital but after knowing her HIV status declared by the patient Party respected doctor who was on duty refer her at Chittaranjan Medical Collage & Hospital after a primary check-up, without any referral reason mentioned in the referral copy. From 8PM to 12 PM she was at Hospital premises, after knowing the status of the patient SNP+ network and CSC staff contacted with JDCST Sir and Doctor Sumon Ganguly , even CSC staff also informed the PPTCT program officer and ICTC Counselor of Baruipur Hospital. After continuous effort of JDCST sir and Dr. Sumon Ganguly sir, hospital superintendent of Baruipur hospital admitted the clients and after the primary checkup doctor referred her at Chittaranjan Medical Collage at 1.30A.M. On 21st October 2021 Rajosree gave birth of a baby boy. There is no such issue in ChittyaRanjan National Medical Collage & Hospital, Doctors & staff are very much helpful .Now the Child is little sick and under the doctor observations.

Case 2: On 15/6/21 we came to know that one homeless lady was found positive in Byanjanheria Charial BPHC, Budge Budge Block I. The name of the lady is Bani Prasad (Name changed) aged 42. Her family member kicked her out from her home. We got the information from DPM of Kolkata and also BMOH of Budge Budge Byanjanheria Charial BPHC Hospital. After knowing the fact we had send our ORW Susuma Sarkar to that Hospital on 17/6/21 So that we can initiate the ART of that client from MRBH ARTC. Though the BMOH arraigned ambulance for the client because of the transportation was not available on that time due to lockdown situation. The lady had no identity card for that reason ARTC was not allowing her for registration but the Project Coordinator of the CSC had mailed the MRBH ARTC so that ART can start. In that same time we had told for a place in Arunima Hospice to kept her after the ART started and mailed the authority of Arunima Hospice. After that BMOH kept the lady more 5 days for observation as the woman was very sick. Now the woman is in Budge Budge Byanjanheria Charial BPHC Hospital. After recovery her weakness we will admit her in Arunima Hospice.

Case 3: One of our clients named Sushmita Roy (Name changed); aged 69 reside at 38 Monmohan Banerjee Road PO- Sahapur, PS-Behala Kol-38, She has taken ART treatment from MRBH ARTC , her ART number is 5141(2/3/21). In the 2nd wave of COVID her husband was found positive and was hospitalized and she was under home quarantine. After that she called our CSC staff for help as she had missed her due date on 21/4/21. After knowing the fact Deepshikha CSC Project Coordinator emailed to the NODAL officer for providing the ART drug to our staff. Our Health promoter Jarina Gharami had collected the medicine from ARTC and delivered it to the old lady on 22/4/21.so that she can get the ARV drug on time. Though she had lost her husband on 21/4/21 but she is happy as she found CSC staff is present beside her in the crucial time when the whole world is maintaining social distancing.

SNP+ INCOME AND EXPENDITURE REPORT OF LAST THREE FINANCIAL YEARS		
FINANCIAL YEAR	TOTAL INCOME (IN RUPEES)	TOTAL EXPENDITURE (IN RUPEES)
2019-2020	32,85,400.00/-	33,21,991.00/-
2020-2021	46,40,054.00/-	43,90,910.00/-
2021-2022	51,58,432.00/-	52,85,369.00/-

AUDITOR'S REPORT

1. We have examined the attached Balance Sheet of **"SOUTH 24 PG NETWORK OF PEOPLE LIVING WITH HIV/AIDS" (General) of Milan Pally, Kalibari Lane, Post & P.S.: Sonarpur, Kolkata-700150** as at 31st March 2022 the related Income & Expenditure for the period from 01.04.2021 to 31.03.2022. Annexed thereto, and the Receipts & Payments Accounts for the year ended on 31st March 2022 which we have signed under reference to the report. These financial statements are the responsibility of the management of the Society. Our responsibility is to express an opinion on these financial statements based on our audit.

2. We have conducted our audit in accordance with auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit includes examining on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and evaluating the overall financial statements presentation. We believe that our audit provides a reasonable basis for our opinion.

3. We report that;

- a. We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit.
- b. In our opinion, proper books of accounts have been kept by the society.
- c. The Balance Sheet and the Income & Expenditure accounts dealt with by this report are in agreement with the books of accounts.
- d. In our opinion and to the best of our information and according to the explanations given to us the said account together with the notes thereon, give a true and fair view in conformation with the accounting principles generally accepted in India.
 - (i) In the case of Balance Sheet, of the state of affairs of the society as at 31st March 2022.
 - (ii) In case of Income & Expenditure Account of the Excess of Expenditure over Income for the year ended on that date.
 - (iii) In the case of the receipts & payments accounts of the receipts and payments for the year ended on that date.

এইচআইভিতে আক্রান্ত দম্পতিকে জল তুলতে বাধা, গ্রামছাড়া করার অভিযোগ

নিজস্ব প্রতিনিধি, কলকাতা: একবিশ শতাব্দীতে জিন থেরাপি, ফাইভ-জি'র যুগেও চলেছে দুঃসংসার! সুন্দরবনবাসী এক এইচআইভি পজিটিভ প্রসূতির সঙ্গে চরম অমানবিক আচরণের অভিযোগ উঠল। শুধু তাই নয়, ওই প্রসূতির শাশুড়িকে গ্রামের টিউবওয়েল থেকে জল তুলতেও বাধা দেওয়া হয় বলে অভিযোগ। স্থানীয় এক আশাকর্মী ও তাঁর পরিবারের বিরুদ্ধে ডায়মন্ডহারবার স্বাস্থ্য জেলার মুখ্য স্বাস্থ্য আধিকারিককে লিখিতভাবে এই অভিযোগ জানিয়েছে জেলার এইচআইভি আক্রান্তদের সংগঠন।

প্রসূতির স্বামী বিশ্বনাথ মুন্ডা (নাম পরিবর্তিত) বুধবার বলেন, 'এক আশাকর্মী ও তাঁর স্বামীর নেতৃত্বে একদল গ্রামবাসী আমাদের বাড়িতে চড়াও হয়। বলে, গ্রামে থাকা যাবে না। মাকে জল তুলতে দেয়নি ওরা। আমরা ভীত-সন্ত্রস্ত। গ্রামছাড়া হয়ে

প্রকাশিত। বলেন, 'এ কোন দেশে বসবাস করছি আমরা! এত মানবাধিকার, এত নিয়মানুসারেও একজন গর্ভবর্তীকে গ্রামছাড়া হতে হচ্ছে? জল তুলতে দেওয়া হচ্ছে না? আমরা বিহিত চাই।' ডায়মন্ডহারবার স্বাস্থ্য জেলার মুখ্য স্বাস্থ্য আধিকারিক

সুন্দরবনে চাঞ্চল্যকর অভিযোগ

এখন নরেন্দ্রপুরে বাড়িভাড়া নিয়ে আছি।' দক্ষিণ ২৪ পরগনার এইচআইভি আক্রান্তদের সংগঠন এসএসপি প্লাস-এর সভাপতি ক্ষিতিশ মণ্ডল (অনুমতিক্রমে নাম

ডাঃ দেবশিশু রায়কে ফোনে পাওয়া যায়নি। রাজ্যের স্বাস্থ্য অধিকর্তা ডাঃ সিদ্ধার্থ নিয়োগী বলেন, 'অভিযোগ প্রমাণিত হলে কঠোর ব্যবস্থা নেওয়া হবে।'

স্বাস্থ্য জেলা সূত্রের খবর, সুন্দরবনের রামগঙ্গা এলাকার এক আদিবাসী পাড়ায় বাড়ি জ্যোৎস্না মুন্ডা (নাম পরিবর্তিত) নামে ওই প্রসূতির। স্বামী বিশ্বনাথবাবু বলেন, 'কয়েক বছর আগে স্বামী এইচআইভি ধরা পড়ে। তারপর থেকে নিরম করে ওষুধ খেত, এয়ারটি কেন্দ্রে গিয়ে সিডি-৪ কাউন্ট ইত্যাদি পরীক্ষা করে রোগের অবস্থা জেনে আসত। তিন মাস আগে গর্ভবতী হয়। ১৯ জুন স্থানীয় স্বাস্থ্যকেন্দ্রে চেক-আপ করাতে বাই। আশাদিনিকে রোগের কথা জানায় ও। অনুরোধ করে, কোনওভাবেই সেকথা গ্রামবাসীদের না জানাতে। স্বী ফিরে

আসার কিছুক্ষণ পর গ্রামে দেখা হয় ওই আশাদিনির সঙ্গে। তিনি চিৎকার করে স্বামী রোগ নিয়ে বলতে থাকেন। বারণ করলেও থামেননি। এক ঘণ্টা বাসে ওই আশাদিনি ও তাঁর স্বামী লোকজন নিয়ে বাড়িতে চড়াও হন। বলেন, গ্রামে থাকা যাবে না। মা জল তুলতে গিয়েছিল। তুলতে বাধা দেয় কয়েকজন। বলে, এই জল স্পর্শ করলে নাকি গ্রামের সবাই রোগ হবে। ভাবুন, কোন সমাজে আমরা আছি। এরপরই আমরা দু'জন গ্রাম ছেড়ে নরেন্দ্রপুরে এসে ভাড়া নিয়ে আছি। সোনারপুর স্বাস্থ্যকেন্দ্রে স্বী নিজের ও বাচ্চার চেক-আপ করছে।'
